## **Windscreen & Headlight Repair - System – 1 day training – Autoscreenz™**

Learn how to repair stone chips and cracks in windscreens. We teach you to distinguish when to repair and when to replace.

Restore the clarity of headlights and remove damages from wear and tear.

### **For you?**

The training is intended for employees at body shops, refurbishment companies, car dealers, car rental or leasing services, caravan and mobile home companies, etc.

### **The process**

The training is divided into a theoretical part and a practical part. The trainer shows you a repair, and afterwards you will practice the various repair methods on various materials.

### **Certificate**

After completing the course successfully, you will receive a certificate.

### **Duration**

1 day. We start at 8h30 and finish at 14h30 depending on the learner's progress. Sometimes we finish earlier.

All orders for consumables or tools placed on the day will qualify for a 5% discount on listed price from [Autosparez.co.za](http://Autosparez.co.za)

### **After-training-support?**

When having attended an Autoscreenz™ training, you always have the possibility of calling your trainer for follow-up questions. Make sure to get your trainers contact information when attending the training.

### **Teaching method**

It is practice-oriented training. Each training starts with the trainer showing you how to make a repair with the system at hand. Afterwards, all participants train in making a similar repair.

### **Pictures**

You are free to snap all the photographs you want – for personal use. Should you wish to use photos officially (social media, webpage, marketing, etc.) please consult us beforehand. Also we ask of you to respect the privacy of the other participants.

### **Tools**

No need to bring your own tools. We train you in the specific Autoscreenz™ Repair tool product range and all required tools will be at your disposal.

## Certificate

After completing the course successfully, you will receive a certificate from Autoscreenz™

## Participants

The number of participants vary. We like to keep it to a maximum of 8.

## Cancelling

We reserve the right to cancel and/or rescheduled training, if we do not get enough registrations for a course. At your request, you can receive a refund if the training has been paid for separately. If your participation is a part of an agreement (e.g. a distributor agreement) there is no refund – we will reschedule.

Should you wish to cancel your registration, please contact us as soon as possible.

## Purchase of tools/kits

During your training at Autoscreenz, the trainer will show you the product range and help you select which tools match your specific needs. The contents of the kits are pre-selected to ensure the right tools for the job at hand. Where additional tools and consumables are available, the trainer will help you select.

## Payment

You can choose to pay with credit card ([VISA](#), [VISA electron](#) and [MasterCard](#)) through [Payfast](#), or via **EFT** bank transfer.

After registering for a training, you will receive an email including order confirmation and invoice.

On the course list, prices are shown. Your invoice will show the total amount.

## Registration

When you wish to attend one or several of our trainings, you need to register via our easy signup page .It is possible for one person to register multiple participants.

## Addresses

Most of the training sessions are carried out at our headquarters in Booyens Johannesburg:

Autoscreenz™ South Africa PTY Ltd. 78 Booyens Road, Booyens Johannesburg, 2197  
Dealer training is carried out at the dealership in the workshop. We also have training facilities available at various centres in and around South Africa.

**Terms of service:** You can read our terms of service here. You will also be asked to check a box during registration to confirm that you agree to these terms.
